

General Code of Conduct

Adopted by the Supervisory Board on 21 April 2020

PURPOSE

The Code of Conduct aims to ensure that our Staff (including board members, employees, consultants, visitors and local partner organisations) and Associates treat each other and the children, young people and communities that we work with, with dignity and respect. Free a Girl recognises that as a child rights organisation it has a moral and legal responsibility to ensure that children are safe when they are in the organisation's care – directly or indirectly. We are committed to defining and upholding the highest standards of behaviour at all times, both inside and outside the work environment. Free a Girl's Code of Conduct is therefore designed to provide clear guidance to our Staff and Associates for conducting themselves in a manner which is consistent with their role and commitment to our values, and to provide examples of conduct that will always be unacceptable. Our Code of Conduct is designed to ensure compliance with related Policies, full disclosure of suspected or alleged breaches of the expected standards of conduct, and to maintain the professional standing of the organisation so that we can achieve our mission.

This Code should also be read and understood in conjunction with the following associated Policies, as may be amended from time to time:

- o Anti-Fraud and Corruption Policy (one for Free a Girl staff and one for local partners)
- o Child Safeguarding Policy
- o Whistleblowing Policy
- o Sanctions policy
